Full-time and part-time positions are available. PTAs may qualify for benefits and a sign-on bonus. Modoc Medical is a recognized employer in the PS Loan Forgiveness program.

Duties include (but not limited to):

- Implements and executes established patient treatment plans under the supervision of a licensed Physical Therapist in compliance with facility's operations, guidelines, and APTA.
- Maintains a treatment environment that optimizes patient participation and safety, and reduces the risks of healthcare related faults, contra-indications, and reimbursement errors.
- Provides timely written documentation per department requirements (i.e. EMR).
- Interacts professionally with patients and families and includes them in the care plan.
- Advocate of flexibility and synergistic mindset for well-being of team and patients.
- Organizational ability and time management skills demonstrated through effective patient scheduling and completion of patient charting, according to policy.
- Communicates appropriately, respectfully, and clearly to physicians, directors, managers, families, and coworkers. Accepts direction as provided within the chain of command, and in compliance with the California Physical Therapy Practice Act.
- Works with patients and families in a manner that ensures effective treatment strategies are identified and utilized per learning needs and levels.
- Develops and enhances clinical and professional skills via hands-on training, pursuit of continuing education, staff development, and professional associations.
- Demonstrates safe and effective use of physical therapy interventions utilized at Modoc Medical Center (to include): modalities, therapeutic exercise, soft tissue mobilization, gait training, neuromuscular re-education, orthotic/prosthetic training, and taping according to POC and best practice standards.
- Performs other duties as assigned by the management team.

Minimum Qualifications:

- Graduate of an APTA approved Physical Therapist Assistant Program and licensed by the State of California to provide PTA services and maintain PTA license without lapses.
- New and motivated PTAs with special interests and experience in OP PT, acute care/rehab, or skilled facility and restorative program development desired
- Current BLS/CPR certification and unencumbered PTA license required.
